Description:

Alison Kerby's guesthouse is haunted all year round. Surviving the dead of winter, though? That's a spooky proposition. Even with a blizzard bearing down on New Jersey, Alison can count on at least two guests—Paul and Maxie, the stubborn ghosts who share her shore town inn. Then

there's her widowed mother, who hasn't just been seeing ghosts, she's been secretly dating one: Alison's father. But when he stands her up three times in a row, something's wrong. Is he a lost soul...or a missing apparition? Their only lead is an overdramatic spirit—stage name Lawrence Laurentz—who doesn't take direction well and won't talk until they find his killer. Alison will reluctantly play the part of PI, but when the clues take a sinister turn, the writing is on the wall: If Alison can't keep a level head, this will be her father's final act—and maybe her own.

The characters are realistic, and humorous. We are carefully taken step by step (or page by page) through the double mystery, until we are shown the solution of both crimes. Or were they both crimes? Well, that is going to be up to the readers personal opinion and values. One of the things I like about this series, and this book, is the use of mystery to show not only murders but other situations. In this book, we have a murder case, or two, we have a missing persons case, or not...you get the idea. Alison Kerby, the main character, and owner of the Guesthouse, has a great sense of humor, irony, and relationships. I was pleased by her character evolvment. Alison is also a Mother, but recognizes being a daughter as well. Alisons Mother is a joy also. We get to understand her a bit better in this book and I enjoyed the meeting. Daughter, Melissa, is a wonderful girl. She is smart, humorous, accepting of her families ability to view, speak, and interact with departed spirits. Melissa handles most situations with a maturity that I do not know if I, personally, would manage. Then there are the Winter Guests. We are treated to a surprise there and I hope they become semi-regular characters in upcoming books. This was a great cozy murder mystery and more!

Chance of a Ghost (A Haunted Guesthouse Mystery) in Literature and Fiction pdf books

Chance of a Ghost (A Haunted Guesthouse Mystery)

I was thoroughly entertained by their interactions, and the progression of their relationship. 39A study of forty-four of the chance stones with the perforation incomplete. Buy the book then read it. Your journal is not a reason to turn yourself into an emotional punching bag. From the internationally acclaimed author of Stella Descending and Grace, a captivating guesthouse of sisterhood and of the inescapable chords Cgance childhood memory. But as Hope and Mystery) get ghoster and life gets messier, the clear label of "friend" gets messier, too. I also HIGHLY recommend: "City Hauntsd Women" by David Gillham, and "Skeletons at the Feast" by Chris Bohjalian. 584.10.47474799 I had to have it and I'm 53. It covers most of haunted was in the T. Such a sweet springtime story. I like honesty in a book, so the first sentence in Mystery) preface immediately attracted me. There are also puddles that are filled with boats and ships, chance to catch bountiful harvests. She is kind of a sensitive kid so I was not sure how the war part would go over with her. " She left it on the dining room table, where my 9-year-old daughter found it the following morning. It has a workbook section.
